NO. 2037 P. 3

- The rates and charges in this tender may be used as factors in the construction of any combination through rates, charges or other provisions.
- The rates and charges in this tender may be used as factors to make combination rates and charges to and/or from other points of origin and destination, provided that such other points are not more than thirty (30) highway miles distant from the pertinent point of origin or destination named in this tender. The distance shall be measured from (1) the nearest boundary, in the case of designated commercial zones; (2) the nearest corporate limit, in the case of incorporated communities not in commercial zones; or (3) the nearest post office within other points of origin or destination.
- The rates and charges in this tender may not be used in construction of combination rates or charges.

20. GENERAL TERMS AND CONDITIONS:

a. Lawful Performance Contracting Authorities

The carrier(s) represent(s) to the United States that the services provided in this tender will be performed in accordance with applicable Federal, state and municipal laws and regulations and the carrier(s) hold(s) the required operating authority to transport commodity from, to, or between the places specified in the authorized certificates, permits or temporary operating authorities.

b. Charges and allowances

Except as otherwise provided in this tender, shipments made under the provisions of this tender are entitled to those addition services and privileges as are provided in separately published tariffs or tenders to which the carrier(s) participates, including addition tariff or tender charges, rules and regulations applicable to such services and privileges.

c. Payment

Except for shipments covered by Item 21(3) or 21(4) below, the carrier shall bill the United States on Standard Form 1113, Publ Voucher for Transportation Charges, appropriately supported. Carriers shall send bills to the "Charger to be billed to" address shown on the face of Standard Form 1103, U.S. Government Bill of Lading.

d. References

Where reference is made in this tender to an item, tender, tariff or classification, the reference shall be construed to include all supplements, amendments or reissues of that item, tender, tariff or classification, unless otherwise specified in this tender.

e. Cancellation or amendment of tender

This tender may be canceled or amended by the carrier(s) on written notice of not less than thirty (30) calendar days, except shipments made from the original point of origin (or port of importation, where appropriate) before the effective date of the notice, except for any accrued rights and liabilities of either party to the tender. Cancellations or amendments may be made upon short notice by mutual agreement between the Government and the carrier(s) concerned.

f. Filing with regulatory bodies

The carrier(s) certifies (certify) that, where required, the necessary copies of this tender shall be filed concurrently with other regulatory bodies, appropriate.

g. Alterations and volume of traffic

This tender shall not apply where charges for service provided under this tender exceed charges otherwise applicable for same service. Receipt and acceptance of this tender by the Government shall not be considered as a guarantee to the carrier particular volume of traffic described in this tender.

21. CARRIER(S) OFFER AND INSTRUCTIONS

I am (we are) authorized to bid offer on a continuing basis to the United States Government (subsequently called the Government) the transportation services described in this tender, subject to the terms and conditions stated in this tender. The property to which rates apply must be shipped by or for the Government (1) on Government bills of lading; (2) on commercial bills of lading endorsed to show that such bills of lading are to be exchanged for Government bills of lading at destination or converted to Government bills of lading after delivery to the consignee; (3) on Government bills of lading showing "per ton" or "per unit" or "per piece" or "per carload" or the like, and (4) on commercial bills of lading, if so authorized by the Government, and the actual total transportation charges paid to the carrier(s) by the consigner or consignee are assigned to, and are to be reimbursed by the Government". (Name the specific agency, such as Department of Defense), and the actual total transportation charges paid to the carrier(s) by the consigner or consignee are to be reimbursed by the Government, according to cost-reimbursable contract no. This may be confirmed by contacting _____.
